The Right Start

The right start counts for a lot with chickens. Often it spells the difference between profitable success and expensive failure. Professor Harry R. Lewis, head of the New Jersey Poultry Experiment Station, will tell you how to get the right start in coming issues of

The COUNTRY GENTLEMAN

In a remarkable series of fifteen penetrating articles he will characterize, one by one, the major poultry breeds and will point the way to bigger profits with each.

Successful poultrymen say that THE COUNTRY GENTLEMAN is more helpful to them than the exclusive poultry journals. In a single year it prints the equivalent of more than 450 book pages on poultry—top-notch material, all of it, by such authorities as Victor G. Aubrey, James Dryden and Ralph R. Hannan. And that is only one department of an all-around farm service that offers concrete help with every problem of your farm business. A whole year of this service—52 great issues—costs but \$1. If you send me your check or a dollar bill today, I'll see that your subscription starts next week.

Some People We Know, and We Will Profit by Hearing About Them

This is a purely local event. It took place in Bethel. Not in some faraway place. You are asked to investigate it. Asked to believe a citizen's word. To confirm a citizen's statement. Any article that is endorsed at home is more worthy of confidence. Than one you know nothing about. Endorsed by unknown people. S. J. Haselton, Chapman St., Bethel, says: "Doan's Kidney Pills are certainly all right and I can recommend them. I had a severe spell of rheumatic trouble and after I began to get better, my kidneys showed signs of disorder. My left leg was drawn up and very painful. Backache annoyed me considerably, too. Someone advised me to try Doan's Kidney Pills, so I went to Rosserman's Drug Store and got three boxes. When I had finished taking Doan's, I was relieved." Price 60c, at all dealers. UNDEVELOPED water power is fine for scenery—but what Maine needs is DEVELOPED water power—a surplus ready to meet the demands of any manufacturer who may want to come to Maine.

This need has been supplied by Central Maine Power Company.

The determination to have power ready and available has long been one of the guiding principles of Central Maine Power Company. Acting on this principle it has added, through the 15 months which ended December 31, 1920, new construction costing nearly \$2,500,000.

Its transmission system, extending from Skowhegan through Waterville, Augusta, Gardiner to Lewiston, is now capable of handling and delivering at any point between the terminals of this line 15,000 horse power.

At Skowhegan the installation of the first 4000 horse power unit in its new hydroelectric plant is completed and the second unit will be in operation by February 1 and the third in April or May. At Farmingdale the line taps into the steam plant there, if needed at any hour of the day or night, 10,000 steam generated horse power is available.

From this main line, adequate feeders radiate to the more than 100 communities served.

It would seem that the Company has reached a distinct period in its existence.

It has achieved the position where its lines reach the towns and villages occupied by one-third of the population of the State, where every individual or corporation in its entire territory is supplied with every power demand that has been made, and where it still has developed and available, ready for immediate use, a surplus of absolutely reliable power.

As told in these few sentences, this accomplishment may not seem to have much significance; but to those who have been

struggling and working for this end through many years there comes the feeling of profound satisfaction that so good a result has been obtained. Twenty years ago no industry located in any one of the towns which we now serve could be sure of being able to obtain 100 horse power of electric power. Today any industry, new or old, can have 100 to 10,000 horse power on application.

Much has been said and written about the water powers of Maine and the great industrial possibilities which they hold out for the future of the State, but there is nothing more useless for anything except scenery than an undeveloped water power. Handicapped as Maine is by transportation and other difficulties, Central Maine Power Company felt certain that the fundamentally important thing was not to dwell on what the great powers that are undeveloped MIGHT do for us at some distant time in the future; but to DEVELOP them NOW and have them ready to use.

This we have done and hope to continue doing as the need arises.

Because through 1921 we shall have use for investment money for various requirements, especially to finance the second and third units which will be placed in our new power development and to complete the lines which will interconnect our new properties with the old, the Company is able to offer to the investors of Maine through 1921, approximately 10,000 shares of preferred stock.

This stock seems to us to be safe in the last degree; and likely to pay \$7 per year per share as long as Maine rivers flow. The price is \$107.50 a share, the yield 6 1/2 per cent net.

May we send you a book, showing what is behind an investment in Central Maine Power Company, together with full information about the Company and its securities. If you are interested in a safe and sane State of Maine investment, just send in the coupon.

Treman Emery spent a few days in
Bethel last week.
Isabelle Foster, who has been very ill
with typhoid pneumonia, is a little bet-
ter at this writing.
H. M. Kendall was in Bethel, Tues-
day, to attend the funeral of his sister,
Mrs. Georgiana M. Smith.
Mr. and Mrs. Edmund of Norway are
working for W. O. Emery.
H. M. Kendall is hauling wood for
M. L. Foster.
Merle Swan was in this place, Sunday.
George Abbott spent Sunday with his
family in Bryant's Pond.

RUMFORD
Edwin J. Jodrie and family, formerly
of Conway, N. H., have moved into the
Ayer house on Kerr street.
Mr. Allen Jodrie has been confined to
his home by a dislocated shoulder.
Burns Loggie has been ill at his home
on High street.
Mrs. Della McLaughlin is now the
guest of her daughter, Mrs. Fred Cur-
tis, of Forest avenue.

The debating team at the Rumford
High School has been selected as fol-
lows: Gerald O'Neil, Tracy Pullman,
Arthur Bergeron and Donovan Jenkins,
with John Hay and Fletcher Shins as
alternates. A regular debating class
taught by Principal Monahan has been
organized. The Bates League has been
greatly enlarged this year, and the com-
petition will be much more keen for
honors. The preliminary debates will be
held on March 11th.

The following quartette has been cho-
sen at Rumford High School: Maurice
Young, tenor; Walter Pillsbury, tenor;
Warren Carlson, baritone; Donovan
Jenkins, bass. Some male quartette mu-
sic has been secured, and regular re-
hearsals, under the direction of Direc-
tor Clinton Dexter, are being held.
The cheer leader of Rumford High
School has, with the help of some of the
students, succeeded in making up some
new cheers. The faculty ruling basket-
ball has recently passed a rule on bas-
ketball, stating that boys from the High
School will not be allowed during school
days to make trips to other towns and
all games so played should be arranged
for a Saturday night.

The senior class of Rumford High
School has one leg on the cup given by
the Athletic Association to the team
winning the most games in the class
tournament already. They have won
two and lost none. The juniors and
sophomores are tied for second place,
while the freshmen at present have a
strong hold on the cellar position.

Alfred Jordana has just been trans-
ferred to Rumford High School from
the school system of Bangor, where he
was a member of the basketball team.
The hours at the Rumford post office
are to be changed, per orders from
Washington. The hours are to be from
7 A. M. to 7 P. M., daily; Sundays, from
9 to 4 P. M. At the office all windows
with the exception of the registry win-
dow are open from 7 A. M. to 7 P. M.
The registry window is to be open from
8 A. M. to 6 P. M.

The officers of the local Chapter of
the Eastern Star were installed last
week are: Mrs. Ethel F. Hayes, W. M.;
Mr. Will A. Clough, W. P.; Mrs. Bodo
E. Clough, Asso. M.; Mrs. Stella W.
Dunham, Sec.; Mrs. Hannah Schenauer,
Treas.; Mrs. Georgia Peterson, Com.
Mrs. Beatrice York, Asso. Com.; Mrs.
Tamar Frew, Chap.; Mrs. Vina Sparks,
Marshall; Alice McDonald, Adah; Mrs.
Inez Chaffin, Ruth; Mrs. Mary Watson,

Mrs. Winnie Hammond, Lucia; Mrs.
Ethel Pillsbury, Warder; David Hayes,
Sentinel.

Little Aolnette Herbert of Penobscot
street, five year old daughter of Mr.
and Mrs. Ephraim Herbert, has been ill
with pneumonia.

It is expected that Dr. Gray, Presi-
dent of Bates College, will be one of
the 25th anniversary speakers of the
Baptist church which will be held on
Feb. 16th.

The marriage of Aloysius Steele and
Miss Elizabeth McLeod took place last
week at St. Athanasius church, Rev.
Father Flanagan officiating.

The summer choir of the Baptist church
has begun its rehearsals for the season,
for Mr. J. D. Day under the direction of

Frank Morris.
Ruth Bacha Wiig, daughter of Mr.
and Mrs. Bacha Wiig, formerly em-
ployed here at the Oxford Paper Com-
pany as a chemist, has recently been ap-
pointed Librarian of the Capitol of the
League of Nations in Switzerland. Pri-
or to this appointment Mrs. Wiig was
acting as interpreter with the Bank of
England in London.

Merle Gammon of Hartford, a well
known young man in Rumford, where
he formerly worked in the Oxford mill,
is in town receiving treatment for an
injured eye, a chip having struck him
in the eye while at work in the woods.
James Kerr, the contractor, sent a
crow of men into the lake region by
auto last week. The party went to
South Arm where they had dinner, then
on to Pleasant Island in the Cupstic
where they will put in ice for the camp
owners. Then men and their provisions
filled two of the type of auto rigged to
run in a single track road.

A flock of 1000 or more Gold Finch
were seen in the park woods last week
under and in the hemlock trees, picking
the scales off the snow and out of the
cones.

Mrs. Spaulding Bibbes of Portland
gave a coffee last week at her home in
that city, in honor of her niece, Mrs.
Timothy Stearns, of Waltham, who is
visiting in Portland. Mrs. Stearns was
Miss Margaret Hinds, and her husband
is the oldest son of Judge and Mrs. A.
E. Stearns of Rumford.

Miss Clara Barrows of Canton, a
trained nurse, well known in Rumford,
has been in rather poor health of late.
Dana Durant of Ontario, Canada, has
been visiting relatives in town.

Mrs. Cynthia Ackley, whose death oc-
curred last week, at the age of 85, was
born in the same house at South Rum-
ford in which she died, having lived
there nearly all her life. Her husband
is the oldest son of Judge and Mrs. A.
E. Stearns of Rumford.

The many friends of James E. Dyer,
son of Mr. and Mrs. George Dyer, will
be interested to know that he has been
recently advanced in rank to Lieutenant
(2d) in the U. S. Naval Air Corps. Lieu-
tenant Dyer has been stationed at Coco-
Solo, Panama Canal Zone for the past
year, following his return home from
France, where he served 13 months as
Ensign. He is now a qualified pilot of
both planes and dirigibles, and when not
engaged in flying, presides over all Sum-
mary Court Martials, as Judge Advoca-
te.

The little son of Mr. and Mrs. Mc-
Innes of Main avenue has been ill with
stomach trouble and bronchitis.
Mrs. Flora Brooks, mother of George
Brooks of Rumford, has recovered from
recent illness, so as to be able to re-
sume her duties as Librarian in the
Farmington Public Library.

Mrs. Rena G. Dickson, who for a long
time has been seriously ill at the Mc-
Carthy Hospital, is now making a satis-
factory recovery.

Orion Patterson, a former resident of
Rumford, but for some time past em-
ployed in Worcester, lost his position
there by reason of the recent fire in that
city, and has returned to Rumford and
resumed his former position in the In-
ternational Paper Company.

One of the recent weddings in town
was that of Miss Joy Bramin and Al-
fred J. Young. They were married at
the Methodist parsonage by Rev. R. F.
Loomis. Mr. Young is a clerk at the C.
I. Loomis store, and Mrs. Young is a
nurse at the McCarthy Hospital.

Miss Elizabeth Peterson, daughter of
Mr. and Mrs. John B. Stephens of
Rumford, who is studying to
be a dietitian in a hospital in New York
city, is enjoying her work very much.
John P. Morton of South Paris, a
country teacher in the Bethel school, is
enjoying the water with her mother

MR. L. W. NEWCOMB THROUGH WITH HOSPITALS

Springfield, Mass.—In a letter sent
to Dr. J. P. True & Co., Mr. L. W.
Newcomb of 139 Cambridge St., writes:
"I am writing to let you know how I
am getting along. I have taken two
large size bottles of your Dr. True's
Elkix, and am feeling 100% better than
before using. I will continue taking it
for I do not have the pain that I had
before, and my wife and every one
I know tells me I am looking better.
The deep circles are all gone from under
my eyes. No more hospitals for me."
Dr. True's Elkix, the Family Laxative
and Worm Expeller has benefited
thousands upon thousands of sufferers
from constipation, nervousness, poor ap-
petite, indigestion, insomnia and worms.
Over 68 years a favorite because it is
pleasant to take, works just right—no
harmful drugs. Don't be without it, ad

at Southern Pines, N. C.
Mr. and Mrs. McGinnis of Bangor have
moved to Rumford and taken apart-
ments at the Graves house on Main
avenue. Mr. McGinnis is a millwright
at the International Paper Company.

Elma Davis of Brockton, Mass., is
stopping with his sister, Mrs. John Dun-
ham, of Franklin street and has secured
a position in town.

Rumford's next home basketball game
is with Edward Little High, that com-
ing on Friday, Feb. 11th.
The buildings formerly occupied by
the American Magnesium Company have
been taken over by a new concern that
has come to Rumford, and is to be
known as the Rumford Pulp Reduction
Company. This company has been lo-
cated in Watertown, N. Y., but have
decided to start operations to have their
plant established at Rumford. At the
present time operations are in charge of
Mr. George H. Murphy and Mr. David
Hudson, who have come here, and it is
expected, according to Mr. Hudson, the
owner, that the mill will start operating
about April 1st. The new concern is
to turn out leather board manufactured
from the waste of the Oxford mill. They
will employ about 7 or 8 men at pres-
ent and more as they continue. They
will have an output of about 5 tons a
day. This company has contracted with
the Power Company for a 24 hour ser-
vice of 300 horse power. The low pow-
er rate in Rumford, in comparison with
that paid by them in Watertown, is
one of the main reasons why this com-
pany has decided to locate its plant here
it is said.

Another very cold spell descended up-
on this town last week, the thermom-
eter registering below zero for several
days, with a strong wind. However,
many of the young people have been
skating on the rink back of Morse's
mill, which the town is keeping in good
condition for the season's sport. It has
not recently been opened, as the ice has
not been considered thick enough to be
safe.

The history of Blazing Star Lodge, F.
and A. M., which has been carefully
compiled by Historian James B. Steven-
son, has recently been issued, and the
copies are being eagerly read by the
lodge members.

At a food sale held by the Universa-
list Ladies' Aid last week about \$20.00
was netted.

End Your Rheumatism

"Like I Did Mine" — Says
Pastor Reed's Wife
Also Rid of Neuritis

Suffered Tortures For Years—Now
Telling Good News To Others

"Don't Believe That Old Humbug About
'Cris Acid' Being the Cause of Rheu-
matism—It's Not So!"

Emphatically asserting that thousands of unfor-
tunate sufferers have been led into taking wrong
treatments under the old and false belief that "Cris
Acid" causes rheumatism, Pastor H. W. Reed says:
"As do some of our highest medical authorities,
I now know that 'Cris Acid' never did and never
will cause rheumatism! But it took me many
years to find out this truth. I learned how to get
rid of my rheumatism and recover my health and
strength, through reading 'The Inner Mysteries of
Rheumatism,' a work written by an authority who
has scientifically studied the cause and treatment of
rheumatism for over twenty years. It was indeed
a veritable revelation!"

"I had suffered agony for years from rheumatism
and associated disorders, and Mrs. Reed was tor-
mented with the same troubles almost beyond endur-
ance. We had read and talked so much about 'Cris
Acid' that our minds seemed poisoned. But the
'Inner Mysteries of Rheumatism' made it all clear
to us. We are both free from the suffering and
many uncertainties so many years. I believe
I was the luckiest man in the world to convert! For
now I can do the things I used to do, and what
I now know to be absolutely true. For the sake of
others suffering from the agonies and cure of
rheumatism, I am writing you to charge my
responsibility to you. I did not die, and I was a
fortunate day for me and mine when I did so."

NOTE: "The Inner Mysteries of Rheumatism"
referred to above by Pastor Reed has been facts
about rheumatism and its associated disorders over-
looked by doctors and scientists for centuries past.
It is a work that should be in the hands of every
man or woman who has the slightest symptoms of
rheumatism, neuritis, lumbago or neuralgia. Anyone
who needs advice and relief in these cases, who
all-D Street, Hallowell, Maine, will receive it by
mail, postage paid and absolutely free. Send now,
but you forget the address! If not a sufferer, get
this explanation and hand it to some afflicted
friend.

"The proof of the pudding is in
the eating,"—and, just as surely,
the proof of a flour is in the baking.
That's why women who have once used

WILLIAM TELL FLOUR

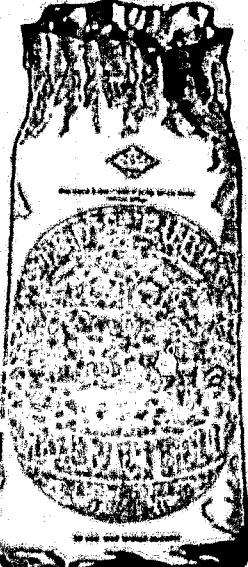

need no further proof or evidence
as to its superior quality.

They have found for themselves
that it gives a delicious flavor and
a uniform goodness to all their
baking.

So it naturally follows that they
prefer it to all other brands.

If you would know the difference a better flour
will make in your baking, just tell your grocer
